To
The Head of HR

Subject: Corporate Training to boost team work and leadership.

Dear,
Greetings from English Olympiad™ (EO) and Amaan Leadership.

Amaan Sulaiman is an international leadership and training expert, best-selling author, public speaker, and social entrepreneur. He is the founder and chief organizer of the English Olympiad, a global platform that inspires and empowers students to excel in English language and communication skills. He is also the initiator of World Orphans Day, a global charity initiative that supports orphans and underprivileged children.

He has trained and coached thousands of corporate leaders, professionals, and students on various topics such as innovation, selling, marketing, customer management, feedback, HR management, and global standards. He is fluent in both English and Bengali and has authored 5 popular books: English Mania 1 and English Mania 2; The Touchstone, Think In English, Post Pandemic Leadership, and Crossword Puzzles. He has delivered over 500 speeches on education and leadership at various schools, colleges, universities, ministries, and events.

He was the core leadership trainer at the ICPC World Finals Dhaka. He is widely recognized as a master of communication and a mesmerizing leader who engages his audience with fun and relaxation. He is passionate about branding his country Bangladesh worldwide and inviting the champions of the English Olympiad Global to his homeland. He uses different pseudonyms such as David Solomon for his diverse endeavors. His leadership skills and training include Emotional intelligence and Mental Health.

We provide your organisation with a wonderful opportunity to educate your staff through a brilliant method of teaching and growth in order to confront global issues.

We are excited to see your organisation go forward with us!
If you require any additional information, please do not hesitate to contact us.

Regards,

Rafia Alam

How we train at Amaan Leadership

We practice with video feedback after two hours of classes and activities, and then as a team. We place an emphasis on hands-on training and teamwork, as well as leadership duties. Our award and display policy is intended to make sessions more effective at connecting people. We adhere to global standards in order to increase the productivity and creativity of your organization. Amaan Sulaiman's constant grooming and concept development aid leaders in their development. Mr. Amaan is a global peak performance instructor who excels at combining science, best practices, and moral underpinnings into tangible tactics that boost success. We have special arrangement for top management. Amaan is a global thought leader. He is known for establishing a counter-intuitive, reality-based leadership style. Amaan's theory, backed by over 17 years of unrivaled experience, provides a fresh lens through which employees and executives alike may turn their attention inward, sharpen their emphasis on personal accountability, and reveal their natural state of innovation simply by discarding the drama.
